

### Spring 2010 Workshops:

**Generous Art**– Find out how your drawing or painting can benefit refugees all over the world. Use your artistic talents to make a difference.

**Improvisational Theatre**– Use your acting skills or discover your acting skills in fun improvisational activities and real life scenarios. (Sr. & Jr. High CON)

**Knitting for Good**– Try your hands on a set of skills which has served to make creations to keep people warm, provide for people who have less than you and is a fun way to make presents for friends and family.

**Environmental Awareness**– Explore your connection with the natural world and what simple steps you and others can take to protect it. (Sr. & Jr. High CON)

**Visual communication**– Words are not the only way to talk. Have fun in a variety of activities and games to test your “other communication talents”.

**Creative Cookies**– Discover the art of creating an advertisement campaign. How will your product stick out? For Jr./Sr. High: Delve deeper into the marketing world by exploring reverse marketing techniques.

**Get it together**– In this workshop you will discover that you can accomplish anything, if you work together as a team. Find out what it takes and if you can master the challenges.
